Due to popular demand the
student's workshop

Drama *with* Vision!

is now touring to high schools

Suitable for all secondary students (hearing, Deaf and hearing impaired), the high school workshop, "Drama with Vision", has been adapted from Australian Theatre of the Deaf's successful Adult's Weekend workshop program.

"Drama with Vision", explores theatre techniques designed to free the imagination to enable students to communicate their ideas visually. Professional Deaf actors (accompanied by a Sign Language Interpreter) will lead students through a program of theatre games and exercises designed to develop skills, increase confidence and enhance the ability to use the body as an extension of their thoughts.

**Avoid
