# We are The Sisters of Invention

*“We have been singing together since we met  
as members of the Tutti Choir.”*

Tutti recognised our talent, and supported us to love songwriting and to present our music to the world.

We have become leaders in a new generation of learning disabled artists.

We have burst through barriers and we are finding our own audience.

There's only one way to go from here – **forward!**

### Our successes are many:

- The launch of our debut album at the Adelaide Festival Centre in 2015
- Over 70,000 hits for our YouTube clip “This Isn’t Disneyland”
- An ABC iView documentary series to be screened later in 2016

**Can you help other disabled artists to  
become leaders and world changers too?**

**TUTTI ARTS IS A LEADING ARTS AND DISABILITY ORGANISATION COMMITTED TO SOCIAL CHANGE**

“ This is no parade of trite inspirational anthems...they are top notch pop songs that deal with the emotional truths of life. ”

## YOUR DONATION MAKES A DIFFERENCE

Please help support disabled artists develop their artistic talents, earn income and feel pride like **The Sisters of Invention**. With your assistance, Tutti can provide more opportunities for artists to create, develop and exhibit their own work. It costs over \$1 million a year to run our diverse art form programs. The possibilities of how your donation will help are endless.

**A \$50 donation by just 100 people like you will make a difference by supporting the Tutti Choir for a semester.**

No matter what your donation, we can promise your kindness and generosity will make a huge impact in the lives of disabled artists.

Yours sincerely,

Pat Rix
