

Signs of Change

*My Autobiography and History of
Australian Theatre of the Deaf 1973-1983*

By Nola Colefax written with AnneE Lawrence

DUE TO BE RELEASED NOVEMBER 1999

Signs of Change is a thrilling story of the achievement of one woman and a substantial history of a dynamic era of a little known Australian community. This book interweaves Nola's personal history with the history, culture and development of the Deaf community. It describes the role creativity has played in Nola's life, and the links between the theatre and the emerging Deaf "voice", especially around deaf education. Awarded the Order of Australia Medal (OAM) in 1981 for her service to the Theatre of the Deaf, Nola was an outstanding mime artist and pioneered the teaching of non-verbal communication in the theatre-in-education program in NSW schools.
