THE DELTA PROJECT

The Delta Project is a groundbreaking Australian dance theatre company of highly trained Deaf and hearing dancers who collaborate with leading Australian artists.

Established in 2011, The Delta Project has presented its new contemporary dance theatre, accessible for both Deaf and hearing audiences, to rave reviews.

“Impact-performance from the moments the lights dimmed... Their energy, their poise and their raw emotive power was a thrill to behold.”

– Artshub review, *Under My Skin* 2016
