# ART FOR EVERY BODY

Arts Access Victoria is the leading provider of quality arts programs for people with a disability. Our programs are run by professional practising artists, with fully qualified support workers, who together help our participants achieve their creative potential. Participants experience a range of art making including, animation, drawing, puppetry, costume & set design, sculpture, painting, theatre, filmmaking, dance, movement and more. Whether a beginner, emerging or established art maker, Arts Access Victoria offers an inclusive, professional, creative environment that caters to individual abilities and needs.
