THE DEAF

DIRECTED BY MIKE CANFIELD AND
DESIGNED BY STEFAN BEAR

There will be Deaf Drags, Deaf Dykes, Deaf Poofs, and even a Deaf Bisexual prancing, dancing, gesticulating, and entertaining for all the world to see. The audience will be bombarded with an orgy of visual images, stories, and experiences reflecting the lifestyles of Deaf Gays/Lesbians. Even a visual song will be performed, seen, heard and felt by everyone. This is a rare opportunity for everyone to become acquainted with the Deaf Gay/Lesbian identity. These performances will challenge your stereotypes of what Deaf people are.

A REVELATION TO ALL!!

This is a late night theatre production that celebrates Deaf Homosexuality. TOD and DGLA (formerly Waratah Deaf Association) have collaborated hand in hand to create a bold, new and exciting performance as part of the celebrations for the '94 Mardi Gras Festival and DGLA's 10th Year Anniversary. Actors from TOD and members from DGLA will entertain and delight the audience with their unique talents and sense of humour.
