What's happening for 1998 ?

School Performances :

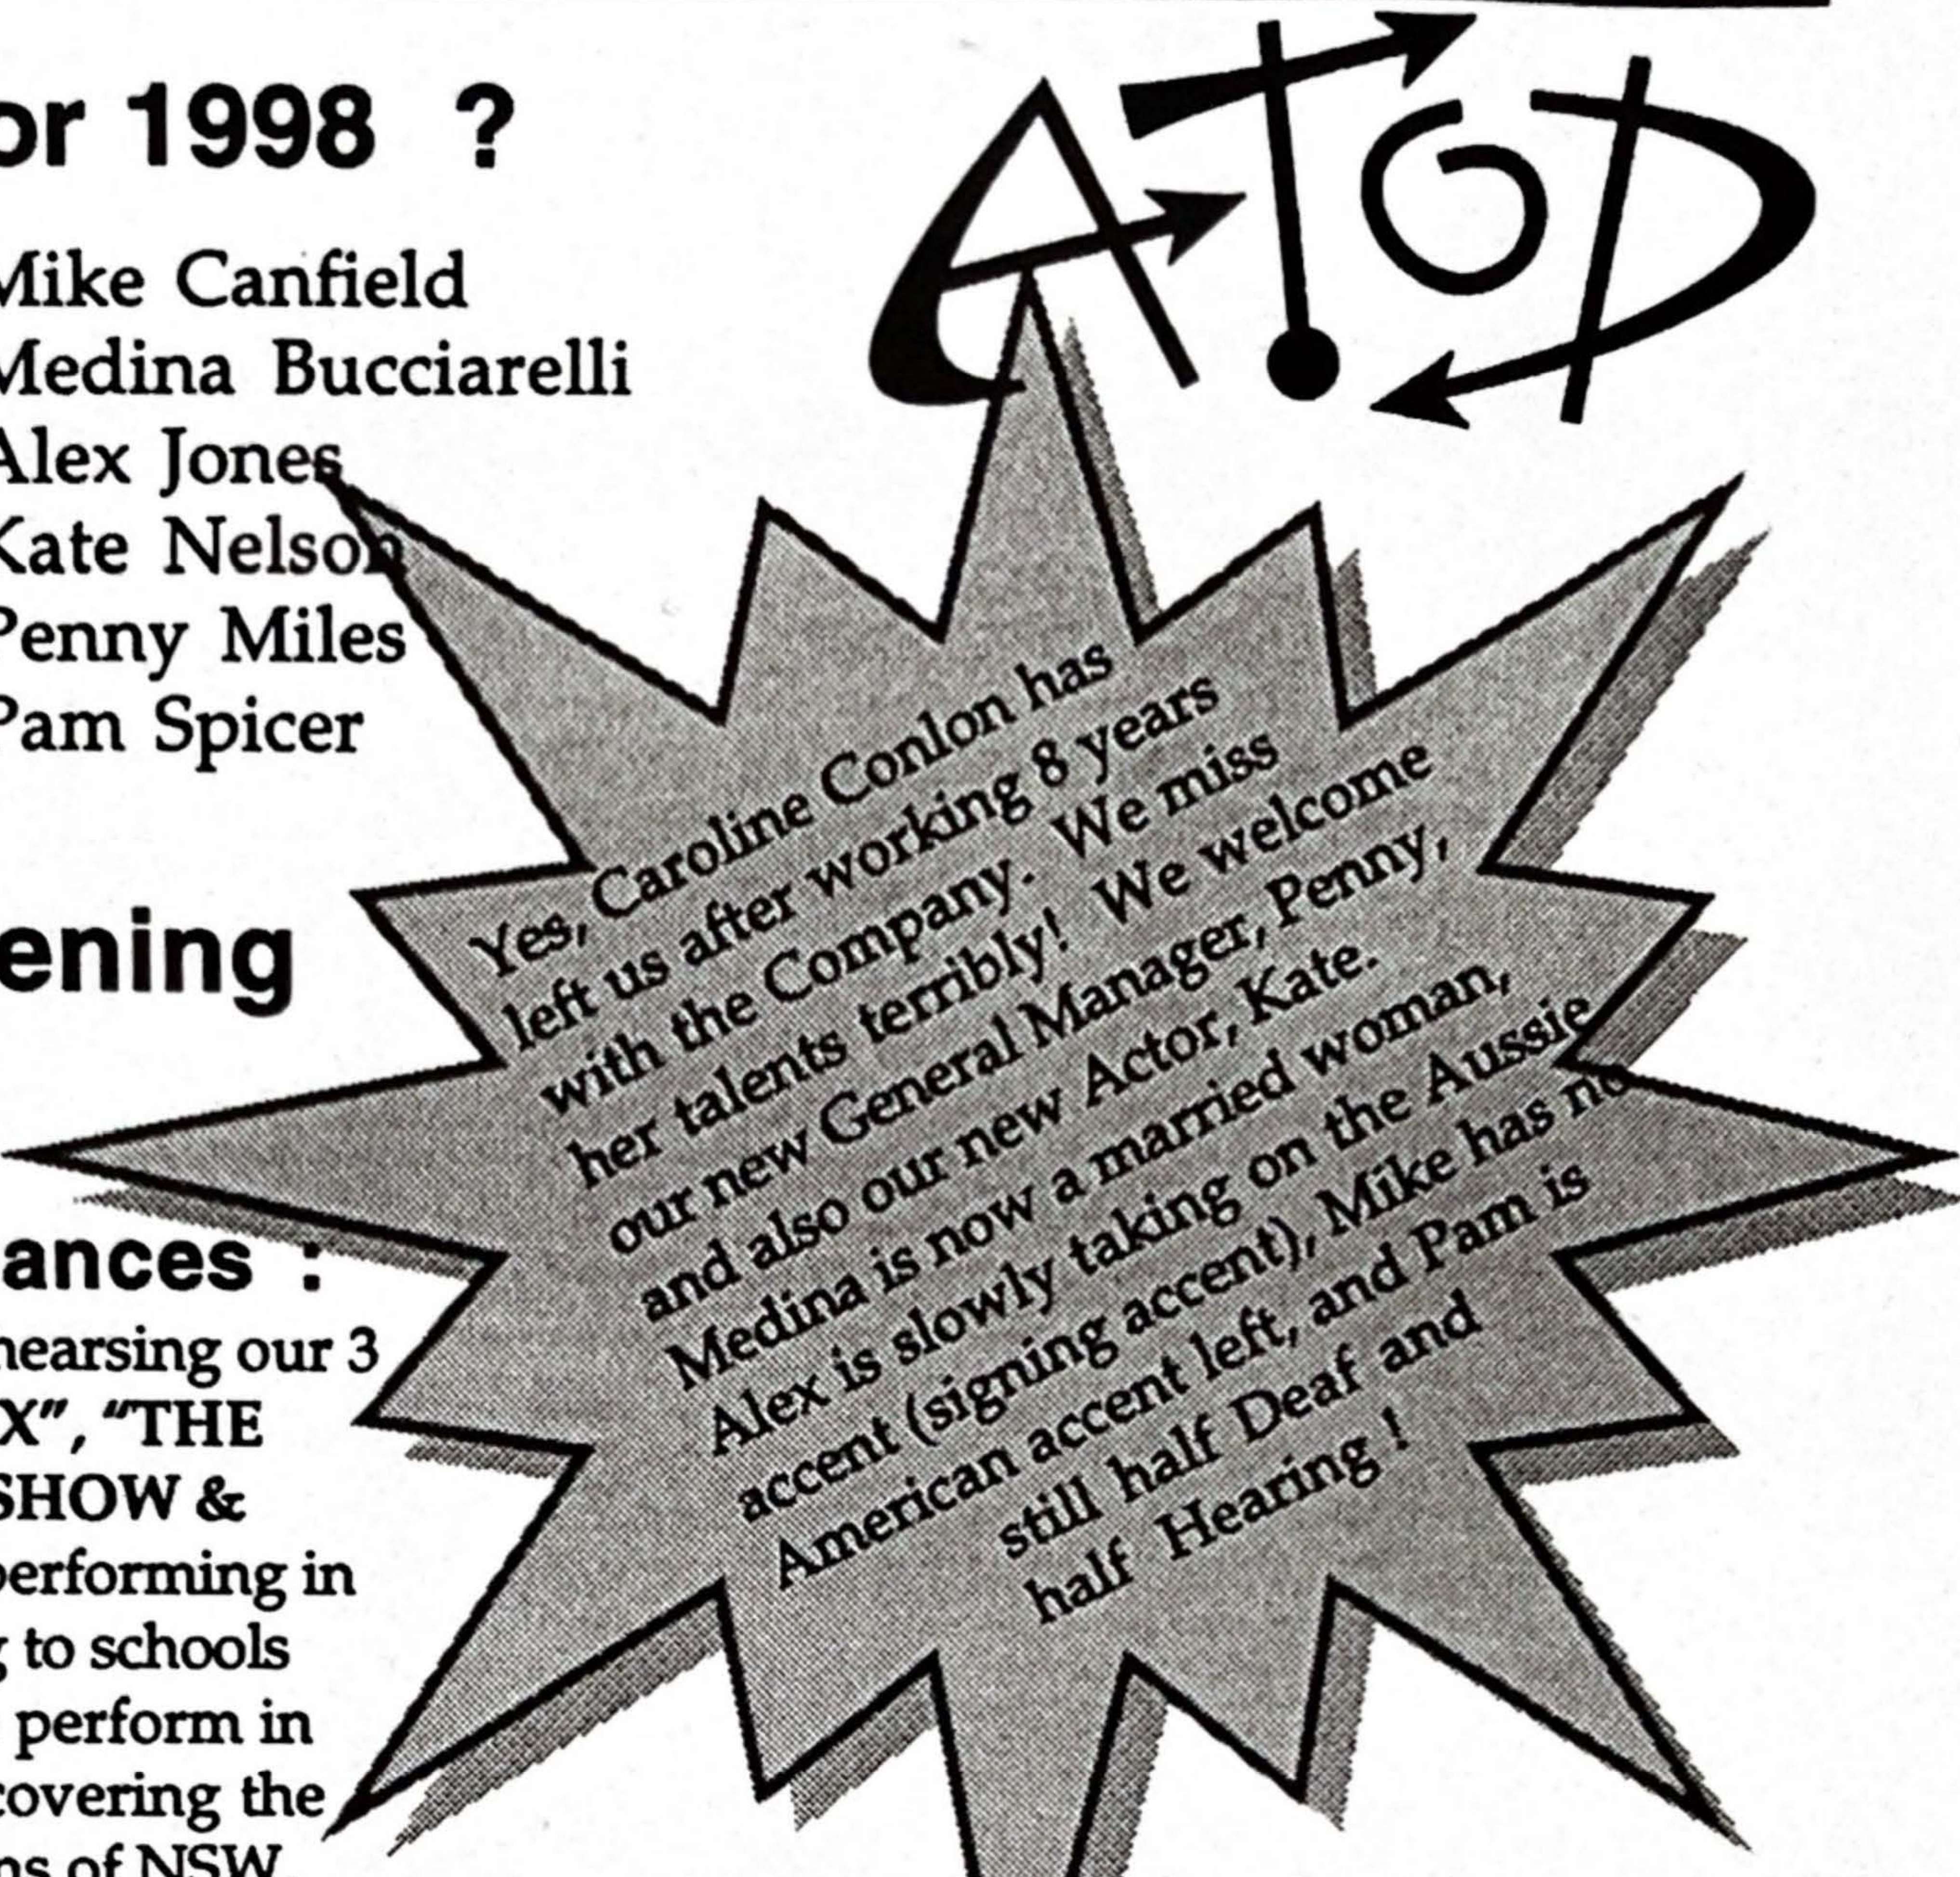

The Actors have been rehearsing our 3 school shows, "JUKEBOX", "THE SIGN IS RIGHT" and "SHOW & TELL" and are already performing in Sydney schools. Touring to schools this year sees the Actors perform in Victoria in March, and covering the coastal and country towns of NSW, Queensland, Canberra and then jet setting to New Zealand for 3 weeks in October.

Public Performances :

We have a new community show called "MASKS ARE BARKING" which will open in June. Performances will be held at Parramatta (26 & 27 June), Penrith (12 July), Campbelltown, Wollongong, Newcastle and Sydney City. This show is suitable for all ... adults and children, whether deaf or hearing - and includes comedy, masks and animation.

New Actors Register :

ATOD has launched a new service for Deaf actors throughout Australia. For more information, see the enclosed flyer.

Yes, Caroline Conlon has left us after working 8 years with the Company. We miss her talents terribly! We welcome our new General Manager, Penny, and also our new Actor, Kate. Medina is now a married woman, Alex is slowly taking on the Aussie accent (signing accent), Mike has no American accent left, and Pam is still half Deaf and half Hearing !

Weekend Workshop for Adults on VISUAL THEATRE :

Why not join us for a fun weekend of learning theatre skills? The workshop will be held in July and is open to both Deaf and Hearing participants. Never know... maybe one day you could be a part of the Australian Theatre of the Deaf ??

Classes for Kids ... PLAYING WITH DRAMA :

Two-day workshops will be held during the July school holidays. All children are welcome, whether deaf, hearing-impaired or hearing (including CODAs) There will be classes for 8-12 year olds and for 13-18 year olds. Children will explore movement, theatre skills, dance and other aspects of drama.
