THE ARTS CENTRE INVITES YOU TO

NATURE IS LANGUAGE TUTTI ARTS AND PIRAT PRESS

This exhibition of small intimate artworks will bring together Tutti artists and members of PIRAT Press (an offshoot of Bittondi Printmakers Association) to respond to the power of nature to captivate the inquisitive mind, and to offer humour, inspiration and relief from the material world.

Now based at Tutti's Visual Arts Studios in Brighton, professional printmakers from PIRAT (Printmakers In Residence At Tutti) are able to provide workshops in a range of printmaking techniques for self identified disabled artists wanting to expand their artistic practices into the field of printmaking.
