

# Way Out West

ARTS ACCESS VICTORIA

# Way Out West

... is a quality visual and performing arts program for adults with an intellectual disability, Autism, physical disability or acquired brain injury.

... as a respite program, WOW also offers respite for families / carers living in the North or West regions of Melbourne, especially from culturally and linguistically diverse backgrounds.

... generates artworks in an inclusive and engaging environment. Participating artists have showcased their artworks across Melbourne at various arts venues and festivals.

Way Out West supports all skill levels to participant in a wide range of art mediums including:

- \* theatre skills
- \* puppetry
- \* costume design
- \* mask making
- \* singing
- \* percussion dance
- \* drawing
- \* painting
- \* printmaking
