ABOUT TUTTI

Tutti Ensemble is a unique organisation dedicated to artistic excellence and social inclusion. It is an arts organisation that provides choral, theatrical and musical experiences for people of all ages and all abilities.

Tutti Ensemble embraces difference and inspires acceptance. From small beginnings at Minda Inc. in 1997, it has grown into a diverse arts group which includes:

TUTTI CHOIR

A community choir of more than 80 performers.

TUTTI ARTS

The first vocational performing arts program in Australia for emerging artists with a disability.

TUTTI ORCHESTRA

Professional and Community musicians working with the choir.

CLUB TUTTI

For people who love making music but who prefer not to perform in public.

Tutti Ensemble's work has been supported by Minda Inc., as well as project grants, productions and donations, enabling the choir and Tutti artists to perform for thousands of people each year. In addition, many hundreds of community members regularly participate in Tutti's regional workshops and performances.

Tutti's ethos is that participation in, and enjoyment of music should be accessible to everyone.
