Inclusive Arts Studios

Engage in writing,
visual and performing
arts, with an emphasis
on personal choice.

Make art in Supported Residential Services.

The SRS Studio program brings a professional studio environment to people living in residential services.

We offer a broad range of techniques, approaches and styles for participating artists to learn.

We operate ten studios in SRS across Melbourne with the support of the Australian and Victorian Governments under the HACCC and CHSP program.

Workshops focus on:

- the art-making process
- developing artist's ideas
- trying new skills and materials
- encouraging independence in artistic decision making
