

THE MAGIC FLUTE

Tutti will be performing The Magic Flute in September 2011, a co-production with The State Opera Company.

Set in the colourful world of the circus, with beautiful music sung by Tutti and State Opera soloists and enhanced by the extraordinary skills of Cirkidz, this OperaTU production of The Magic Flute will truly bring Mozart's dream of an opera for the people to life.

Tutti would like to acknowledge the following for their generous support of Tutti's production of The Magic Flute
