

Sound Circles

Echoes of Life

Not quite a choir... not quite performance... but a meeting of hearts, minds, bodies and voices across Queensland!

Are you an untapped talent, a Caruso of the shower?

Do dogs howl at the sound of your voice?

Have you ever wondered how your unique body shape might resonate with the universe? Then Sound Circles is definitely for you!

Access Arts and its partners across the state are hosting Sound Circles workshops in Brisbane, Cairns, Innisfail, Caboolture, Atherton Tableland, Sunshine Coast and the South Burnett.

No auditions, No judging panel, No rejections, No prizes... just lots of good vibrations!

Come along and join in the fun where you'll explore sounds, rhythms, improvisation and presentation in a unique music workshop experience.

Discover the power of your inner voice as you learn exciting new ways to make sounds... vocally, percussively and collectively as your body moves freely without fear in the world.

Share in the joy and excitement as you embrace our living model for delivering community arts and celebrating our cultural diversity!

For information about Sound Circles contact Emma or Angela at Access Arts on **3358 6200** or for callers outside Brisbane: **1300 663 651** for the cost of a local call.
