ARTS PROJECT AUSTRALIA

is pleased to invite you to the opening of

Australiana

A loud, bold and colourful exhibition, *Australiana* is created with a loving hand and an innate, familiar knowledge of the subject; these works catch the eye, capture the heart and make us feel at home. Upon entry, viewers will become immersed in the tastes, sounds and sights of the entertaining, the sporting, and the kitsch. This collection presents an adoring lens through which the wonder and hilarity of our Great Brown Land can be viewed.

Participating artists are John Bates, Dorothy Berry, Kieren Carroll, Valerio Ciccone, Alan Constable, Leo Cussen, Adrian Lazzaro, Michael Trasancos, Steven Perrette, Steven Worrell, Lisa Reid and Terry Williams amongst others.
