Expressive,  
somewhat haunting,

gracefully performed,  
*Exposed* is moving  
and beautiful.

## restless DANCE THEATRE

Restless acknowledges the family clans of the Kaurna Nation and we shall walk softly and with respect as we feel the footprints of their ancestors.

*Exposed*, directed by Michelle Ryan is a new work exploring vulnerability, uncertainty and risk. Be taken on a journey where the breath is a metaphor for feeling threatened or safe, agitated or calm, and the sonic possibilities of breath are entwined into the mesmerising score.

Don't miss your chance to experience Restless Dance Theatre, Australia's leading dance company working with artists with and without disability.
