

STANDING UP, STANDING OUT

Tutti Visual Artists: Aimee Crathern, Chris Dyke, Jianna Georgiou, Dougie Jacobssen, Megan Long, Hannah Mexted, Giorgio Mouzakis, Charlie Taplin.

Supporting Artists: Ellen Schlobohm, Daniel Connell

Standing Up, Standing Out will see Tutti Arts visuals artists come together with the Sikh community to engage in cultural discourse. Artists will embellish turban cloth with their art, engaging in a mutual exchange of sacred objects, turbans and art. Gracing the gallery in their unwrapped state, these turbans will be accompanied by a series of photographic works that capture this developing relationship. Reflecting the different styles of the artists, the works will be bold and colourful with details and textures that invite the viewer to take a closer look.
