HOLDFAST BAY COMMUNITY CHOIR

WHO ARE WE?

The Holdfast Bay Community Choir was
established in August 1997 as an initiative
of Minda Incorporated, funded by
SPARC Disability Foundation.

The choir is a joint community venture
which involves people of all walks of life
including people with an intellectual
disability to actively share and participate
in the common interest of singing.

WHAT HAVE WE DONE?

The choir is directed by well known
playwright, composer and
musician, Pat Rix.

The choir has performed at a number of
community events and functions, such as
the opening ceremony of the High Beam
Festival 1998, High Beam Festival 2000
where we performed the work in progress
of the opera "My Life. My Love", Twilight
Garden Parties at Government House, the
Governor Hindmarsh Hotel, Carols By
Candlelight at Elder Park and in 2001 the
KickstArt Festival in Vancouver, Canada
The choir has also collaborated with other
Adelaide and international choirs and for
some of these performances.

Our repertoire consists of original songs

written by Pat Rix and other song writers.

We also include other well known
compositions and carols. These songs range
from acapella and raps to African lullabies,
love songs and traditional favourites.

WHO ARE WE LOOKING FOR?

We are looking for people who love to sing
and who either enjoy or think they would
enjoy singing with others.

The choir meets on Wednesday nights in
the Recreation and Social Centre at Minda
Incorporated from 5:30pm until 7:30pm.

The cost of the evening is \$2 to assist with
activities such as BBQ's ,
attending performances,
refreshments and the use of the hall.
