Piano: Jorge Papanaoom

Drums and Percussion: Jenna May, Trish Ferguson, David Busuttill, Andy Busuttill

Tutti would like to thank our supporters, staff and volunteers, without whom a production of this nature would not be possible.

We extend our great thanks to Maria Foot and the City of Holdfast Bay Concert Band for being a wonderful partner for our 2010 Christmas Concert. In particular we thank Claire Behan for her excellent support of the Tutti Choir in preparation for tonight's concert. Thank you also to the Harmony of Hearts and Minds Singers for joining us tonight. Having worked together for Tutti's 2009 production of the Shouting Fence, it is lovely to be celebrating Christmas with old friends.

Special thanks must go to Our Lady of the Sacred Heart Catholic Community Centre, Father John Rate, Joan Walsh, Helen, Sue and Maureen and to Tim Freedman our Sound Technician from Allpro.

Finally a very big thank you to **YOU** our audience for coming and supporting the work of Tutti.

On behalf of the Tutti Board, Staff and Artists, we wish you all a very Merry Christmas and Happy New Year and look forward to seeing you all in 2011.

*All proceeds from tonight's concert will go towards supporting disabled and disadvantaged singers in the Tutti Choir and to continue transforming lives through music.*

## The Tutti Choir - tutti means 'everyone'

Founded by Pat Rix in August 1997 as a small singing group of nine for people with a disability, the work of the Tutti Choir has had an impact far beyond South Australia. Tutti's mission is to create opportunities for everyone to shine, and since it incorporated in 2001 the choir has performed at hundreds of community events and conferences, at major festivals and landmark public events including Carols by Candlelight and WOMADelaide. In 2008 the Tutti Choir won top honours in the Australian 'Music in Communities Awards' for bringing disadvantaged people together through music. From the very beginning Tutti has pursued a national agenda and dared to dream that one day universal access to rich choral performances for disabled and disadvantaged people will be the norm rather than the exception. This philosophy has now been expanded to include all the arts and Tutti is also home to an award-winning Visual Arts and Digital Design program, a broad Performing Arts program for disabled artists, and six age group specific Tutti Kids Music and Drama programs for children living with disabilities.

Tutti is delighted to be working with *The City of Holdfast Bay Concert Band* and *The Harmony of Hearts and Minds Singers* for the 2010 A Very Tutti Christmas Concert.

## The Holdfast Bay Concert Band

The band was first formed in 1983 as the Brighton Concert Band and has worked under some very talented musical directors, competing in the National Band Championships and coming first in B Grade for 3 consecutive years, from 1991-1993. Due to the amalgamation of the Brighton and Glenelg Councils, the band was renamed the City of Holdfast Bay Concert Band in January 1997. The band is a community band supported by revenue from concerts, fundraising activities, members subscriptions, the Lions Club of Brighton and the City of Holdfast Bay Council. Tonight is our first Christmas Concert with Tutti although this is the third time we have combined to present an exciting range of music.

## The Harmony of Hearts and Minds Singers

HOHM have been working together for nearly three years with input from a number of directors including Pat Rix. The members are from the City of Playford, some of who have a mental illness. The group is supportive, inclusive and caring. The HOHM Singers are facilitated by Club 84 and the Gully (psychosocial rehabilitation centres) through the SA Mental Health Authority. At the beginning of 2010 Angela Sharp and Lisa Lanzi (BodySONG) began as the group leaders and each Monday morning we rehearse, laugh and aim for excellence.
