A Good Day That Always Ends the Wrong Way

Directed by Steven Ajzenberg

You'll never see anything like this again...a spectacular range of short animated films fresh from APA Studios. **WARNING:** These films will make you laugh hysterically, cry spontaneously, gasp in wonder and sigh dramatically. Using a range of traditional and modern animation techniques including clay-mation, stop-motion cut-outs, ink and paper hand-drawn cells and 2D digital flash, these APA Directors are ready to take you on the wildest of rides...
