About the Tutti Choir

Tutti is Australia's first inclusive choir and takes its name from the musical term 'Tutti', meaning **everyone**. From its origins in 1997 as a small singing group at Minda, the choir has grown into a vibrant independent multi arts organisation, deeply connected into the disability and mainstream arts worlds of South Australia and beyond. With its strong commitment to access and inclusion, Tutti is both a grass roots nurturer of disabled artists and a creator and presenter of high quality work which brings disabled artists, and community and professional artists together for performances and exhibitions.
