

ARTS ACCESS VICTORIA

Leading Transformation

Imagine being known as the most creative, innovative and universally accessible organisation, service or place. What might this look like?

Universal access is a powerful way to innovate, present challenging art and tell unique stories. Good access opens the door to the arts for everyone, connecting people to culture in all sorts of ways.

Tailor Made

We custom design programs that lift the lid on the issues important to you, in a format decided by you. We assist you to imagine and plan for universal access to your art, venues and community by:

- ▶ Connecting you with innovation
- ▶ Contemporary professional development and training programs
- ▶ Practical consultation and advice
- ▶ Forging strategic partnerships to effect change

Join your peers in a growing movement for universal inclusion.

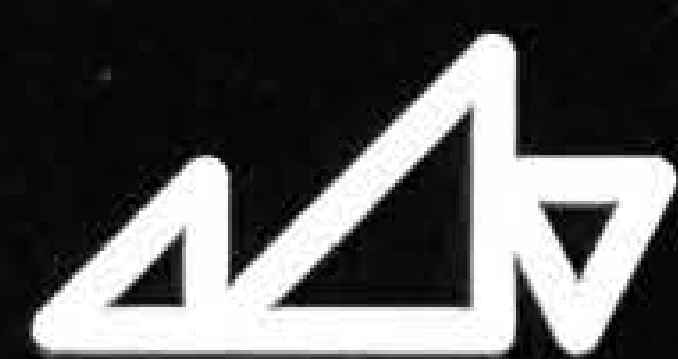

Enquiries: If access and disability inclusion is your aspiration and you want to invest in making this a reality contact AAV:
