ARTS PROJECT AUSTRALIA

is pleased to invite you to the opening of

# The Great *un* Reveal

*The Great un Reveal* proposes that art making is a vehicle for self revelation or it's elusion. Each exhibiting artist has proposed a new work to be created with *The Sisters Hayes*, sibling artists, known for their multidisciplinary approach to theatre and the visual arts. Definitive lines between the artist and curator have been masked to unveil a shared fascination with life's everyday curiosities, masquerade, disguise, personal facades and obsessions of semblance. Theatrically utilizing installation, performance, costume and photography, this exciting new show promises to be great.

Curated by The Sisters Hayes
