

Nocturne

ARTS PROJECT AUSTRALIA

ARTS PROJECT AUSTRALIA

is pleased to invite you to the opening of

Nocturne

It's in the fading light at the end of the day, when the world dissolves into darkness, that the mind begins to wander. Shadowy forms morph into looming, ominous creatures and the stuff of dreams emerges from long forgotten recesses of memory. This exhibition features lyrical and evocative works by artists who allow the imagination free reign, and draw upon the romanticism and mystery of the night.
